**TODAY'S VERSE:** Don't let anyone look down on you because you are young, but set an example for the believers in speech, in life, in love, in faith and in purity.

— 1 Timothy 4:12

**THOUGHTS ON TODAY'S VERSE:** How do you command the respect of others when you are young? You don't! You earn that respect by the character and quality of your life. Those of us who are older must recognize and validate younger Christians who are people of character and faith. Those of us who are younger, need to live a life of character that cannot be questioned. Character, morality, faith, and loving kindness are essential attributes of the Christian, no matter his or her age.

**MY PRAYER:** Holy God, I thank you for those in our church family who are young and stand for your character and who live godly lives despite pressure from their peers to do otherwise. Father, I also thank you for those who are older in the faith, who have given me a chance to use my gifts and who have influenced and encouraged me in my spiritual growth. Please help us keep our church united in mission and purpose across the different age groups, to your glory and for the growth of your Kingdom. In Jesus' name I pray. Amen.

## WHAT JESUS DID

Once, Jesus was in a certain place praying. As he finished, one of his disciples came to him and said, "Lord, teach us to pray, just as John taught his disciples."

— Luke 11:1 NLT

So many books have been written about prayer. Most of us have attended classes on prayer. Yet, when was the last time you gave serious time to look in the Gospels (Matthew, Mark, Luke, and John) and study how Jesus prayed, what he taught about prayer, and why he felt prayer was important? Why not commit to spending some significant time with a highlighter reading the Gospels. Highlight and study each passage related to prayer. As we read, let's petition Jesus each day, "Lord, teach me to pray!" As we pray in the power and authority of Jesus' name every day, let's also commit to learning to pray as Jesus prayed.

**PRAYER LIST**

**QUOTEMEAL:** "The overwhelming recognition of human sin controls the Old Testament and the New Testament alike, and no understanding of our Lord's words and actions is possible if we persist in denying it."

— Sir Edwyn Hoskyns

— Roger Williams
