**TODAY'S VERSE:** Break the arm of the wicked and evil man; call him to account for his wickedness that would not be found out.

— Psalm 10:15

**THOUGHTS:** It is hard not to get discouraged when evil and wicked people get away with what is reprehensible. Christians on every continent have things that greatly trouble them about the evil perpetrated in their corner of the world as corrupt power abuses those who belong to God's people. Let's join together, believers from all around the world, and ask God to intervene in a clear, decisive way, and bring these days of violence and wickedness to an end!

**MY PRAYER:** Holy and righteous Father, please break the power of wickedness that reigns in our world and bring it to an end. Make it clear that the fall of evil's power is at the hand of the Lord Jesus. Lord Jesus, destroy every power that stands between God and us, and bring to a glorious beginning the eternal reign of your Kingdom. To your glory, Lord Jesus, and in your name I pray. Amen.

## WHAT JESUS SAID

[Jesus said,] "When the Son of Man returns, it will be like it was in Noah's day. In those days, the people enjoyed banquets and parties and weddings right up to the time Noah entered his boat and the flood came and destroyed them all."

— Luke 17:26-27 NLT

Noah's message and preparation went totally unappreciated by his contemporaries. They ignored his warnings about God's impending judgment and their need to repent. They went on doing what they had always done, even as the rain started to fall. When Jesus returns in his glory, those who have lived for him will be waiting in expectation for his return and be overjoyed. However, those who have ignored his call to follow him and who have spurned his grace will be caught off guard just as much as those in Noah's day were. It's sad. It's tragic. Let's try to make a difference in as many of those lives as we can!

From India: After worshipping and appealing for centuries to gods who gave no answers, to find a religion that offers unconditional pardon, a life of confidence and peace of mind...

The Lord's church is growing at a phenomenal rate in India. When those who are without hope see a glimmer of something better, they are drawn to it.

GREENWOOD FALL FESTIVAL

Thanks to all who attended the Greenwood Fall Festival on Saturday. The weather was great and there was a good crowd. Everyone enjoys the free coffee and water. We planted the seed and now we wait for the Lord to provide the increase.
